## *About the Speaker:* Craig Lemboe, Senior economist, Bureau for Economic Research

Craig joined the Bureau for Economic Research as an economist in 2010 and was promoted to senior economist in 2014.

Apart from being a member of the BER's macroeconomic forecasting team, he is responsible for the BER's quarterly Building and Construction report. Craig is also responsible for analysing trends in fixed investment and serves as consultant to a number of the BER's building and construction sector clients.

Craig holds a Master's of Economics degree from Stellenbosch University and recently completed his MBA at the same institution. Craig also serves as a trustee of the Cape Town Carnival.

We will also be announcing our **Concrete Achiever & Chairman's Award for 2017**
